

Parts Catalog

F5 & R5

Using this Manual

Before using this manual it is important to identify the model mower you are locating parts for.

Many parts are used across all models, yet some are specific to certain models.

The model of mower is located on the serial plate on the machine.

This manual covers the mowers Roberine F5 and R5.

Always check serial number on the machine before ordering parts.

CAUTION

The Warranty policy does not cover damages caused by the use of non-Roberine parts.

Always use Roberine parts.

Installation of parts and accessories not originally intended could result in less than optimal performance and/or injury.

Contact your local Roberine distributor or dealer for ordering parts.

Information contained in this publication is subject to change at any time without prior notice.

Your product's appearance may vary from the diagrams contained in this catalog.

Information may be enhanced without prior notice.
